## Carpenters excel at World Cup

Izzy and Adam Carpenter of Barnsley AC have made a strong start at the Archery World Cup Stage 1 in Antalya, Turkey.

Izzy ranked 22nd individually after qualifications in tricky conditions. She won her first two matches but was halted by Alejandra Usquiano of Columbia. Izzy finished 9th overall.

The GB Women's Compound team ranked 3rd, but France edged the semi final by two points.

Adam ranked 16th after qualifications, the highest-ranked British male archer. He was knocked out in the second round by GB team mate Kai Thomas-Prouse by one point, and finished joint 17th individually.

The GB Men Compound team finished 4th overall, and Adam's mixed team, with Ella Gibson, finished 5th.

# The British Transplant Games

Sport Manager for Archery: Kath Fitzpatrick

Email: [kath.fitzpatrick@me.com](mailto:kath.fitzpatrick@me.com)

2022 The British Transplant Games is to be held in Leeds on 28-31 July. The Archery Day will be on **Thursday 28<sup>th</sup> July**. As always, we need many volunteers and sponsors to make this event the major success that it has become over the past few years.

The day starts with experienced archers, usually around 40-50 of them, followed by inexperienced / complete novice archers – usually around 120 of these in different age groups. To cater for these numbers in a tight timescale takes a lot of organisation, and we need the following people to volunteer to make it happen:

20-30 qualified AGB Coaches

Experienced archers to help with scoring, instructing

Equipment management – we need to borrow around 60 beginners weight bows- adult lengths - 200+ arrows of at least 28” and longer, 50-60 bracers

2-3 Judges

Field party for set up/take down of the range

We also need:

20 targets, preferably foam, tie down ropes and pegs

*(Transport can be available the day before the event and targets will be returned either Thursday evening or Friday)*

Sponsorship of target faces and pins – usually c 40 60cm faces and 30 80cm faces

All equipment being loaned will be insured for the duration and should be clearly identifiable so that it can be returned fully. Last year was very well managed and we had only 2 bracers left over!

If you can help – please contact the Archery Sport Manager Kath with your details and what you can offer or do – many thanks to those already volunteered!

## Flight shoots postponed and combined

I hope you aren't going to shoot the messenger.

I found out just before the NCAS AGM that we have been double-booked at Leeds Airport (East) with an air show across both weekends of the NCAS and National Flight Championships.

For safety, we have had to reschedule to later in the year. I can only secure the 11th of September. It was suggested at the AGM that we hold a combined National and NCAS flight for this year.

I hope you will understand that safety must take priority. So for this year we shall be holding the National Flight Championships (incorporating the NCAS Flight Championships) at Leeds Airport (East) on Sunday the 11th of September 2022.

## ABBA receive Sport England grant

Great news for the Club. Archers of Bridlington and Burton Agnes have been awarded a grant from the National Lottery, via the Sport England Queen's Platinum Jubilee Activity fund for equipment for our Junior members.

We have had a few Juniors come and go over the years, but recently the number of very young Juniors has increased significantly. Then after a visit to a local school to carry out a demonstration of Archery and run a have a go there, the numbers shot up again. This highlighted the Club's lack of Junior kit in general and the need to be in a position to give all, who do our beginners courses and go on to join the Club, the best chance of doing their best and not be impeded by equipment.

This grant will really balance out the opportunities to do well for all Juniors at the Club, this year and going forward.

The Club would like to thank The National Lottery and Sport England for this investment in the Club. Thanks also to everyone who plays National Lottery games for your support.

*ABBA Club Coach*

The names of several Imperial target rounds changed on the 1st of April 2022.

## Age groups rule change

Last year, Archery GB reviewed the current age brackets for junior and senior archers. This was in response to confusion about the differences between Archery GB and World Archery.

A membership survey was sent out in November 2021 to determine whether there was a need for changes to the age group rules. The response has given Archery GB a basis to proceed. The changes will be implemented on the 1st of October 2022.

Essentially, the decision is to align with World Archery age groups. An archer's WA age group is based on the YEAR of birthday rather than the DATE of birthday. World Archery recognises the following age+gender classes:

- ▶ Under 18 Women
- ▶ Under 18 Men
- ▶ Under 21 Women
- ▶ Under 21 Men
- ▶ Women (senior)
- ▶ Men (senior)
- ▶ 50+ Women
- ▶ 50+ Men

Archery GB may also recognise additional junior age groups for domestic purposes.

## YAA timing system available to clubs

The YAA's Danage timing system is available to YAA clubs for use at their own WA shoots. The system combines timer, lights, sound, scoreboard, archer rotation indicators and control panels. It's so energy efficient that the whole system can run for a two-day shoot on two car batteries.

Instructions for the use of the system are available from the Judging page of the YAA website. Please contact Allan Shuker if you are interested in using this system at your club's open shoot.

## The Yorkshire Award

THE YORKSHIRE AWARD is a prestigious award where clubs can nominate individuals or couples who, in the eyes of their club, deserve recognition for services to that particular club.

Nominations can be made at any time.

If you think someone in your club deserves such recognition, please download the nomination form from the [Shooting resources/Service awards](#) page of the YAA website, complete it, and send it to the county secretary.

## Judges expenses form

The Judges Confirmation and Expense Form was designed following comments made by a number of judges. The tournament organiser or club secretary should send the form to the judge well in advance of the event. The judge should return the confirmation of attendance and expected expenses, so matters can be settled in advance of the event.

To prevent double booking of Judges, the Judges Confirmation and Expense Form includes a tear off slip to send to Allan Shuker, the Judges Liaison Officer, when the booking has been confirmed. The form can be downloaded as a Word document from the YAA website:

[www.yorkshirearchery.co.uk/Documents/JudgeConfExp.doc](http://www.yorkshirearchery.co.uk/Documents/JudgeConfExp.doc)

Alternatively, write to the county secretary or phone him for a copy.

If you want particular judges, please write their names on the slip that is to be sent to Allan.

Many thanks for your anticipated support.
